

# Route description for Ghent (Drongen) key centre

You can find all our locations at <https://www.element61.be/en/contact>

### **Address**

Deinsesteenweg 114

9031 Ghent (Drogenen)

### **From Ostend**

Take the E40 towards Brussels/Bruges. After 41 km, take Exit 13 (Gent-West/Drogenen) for Deinsesteenweg.

At the end of the off-ramp, turn left at the traffic lights. Drive over the bridge.

At the next set of traffic lights you'll see our office on the left.

The best thing to do is to keep driving and turn around at the next intersection, which makes it easier to turn into the driveway.

### **From Brussels/Antwerp**

Take the E40 and get off at Exit 13 (Gent-West/Drogenen) for Deinsesteenweg.

When you get to the end of the off-ramp, you'll see our office straight ahead.

But it's best to turn right so you can turn around at the next intersection, which makes it easier to turn into the driveway.

### **Parking**

You can use our visitor parking, which is on your right as you turn into the driveway. To open the barrier, just ring the bell.

One of our staff will let you drive in and out. There's also parking beside the building (entering from Deinsesteenweg or Welvaertslag).

If you can't find a space, you can park nearby in Raapstraat. From there, it's a short walk (around 200 m) to the rear entrance to our office.
